Dear Resident,

We would like to update you on the progress of the Grange Park Community Centre project on Knox Road, and explain how you can get involved.

There have been a number of complex legal issues to finalise for the Big Lottery grant and leasing the land. This has delayed us from being able to sign the construction contract and establish a start date. We are excited to announce that these issues are very close to being finalised, and we have also raised enough funds to start building. Work will begin on site shortly, and the construction phase is expected to last until late August 2019.

We continue to work with local businesses, our incredibly generous residents and supporters and a number of trusts and grants to raise the funds for the finishing touches to the community centre – including fixtures and fittings. We are also applying for grants to provide services and activities at the centre for local people.

As we begin to see the building going up, we will be looking for help with publicising the centre, getting it ready to open and running it successfully. If you would like to be involved in any of the jobs that will need doing, from gardening and painting to volunteering at coffee mornings or opening and locking up the building, please do get in touch or join us at one of our upcoming public meetings:

<b>Date</b>	Wednesday 23 <sup>th</sup> January 2019
<b>Time</b>	20:15-21:00
<b>Venue</b>	The Studio meeting room, Outwoods Edge Primary School, Redwood Road.

This letter is being hand delivered to all houses bordering the community centre site, and it will also be emailed to those on the Grange Park Centre email database. If you would like to receive updates about the project and future meeting dates, please email [help@grangeparkcentre.org.uk](mailto:help@grangeparkcentre.org.uk), follow us on Facebook at [facebook.com/gpcloughborough](https://www.facebook.com/gpcloughborough) or visit our updates page on the website at [www.grangeparkcentre.org.uk/latest-news/](http://www.grangeparkcentre.org.uk/latest-news/)
